What's a Tax Credit?

A tax credit is a dollar-for-dollar reduction in the taxes you owe to the state. It reduces your tax liability by the amount you donate up to \$400 for married couples and \$200 for a single taxpayer or head of household. Consult your tax professional for more information.

Directing your Arizona taxes to a Tucson Unified school instead of the state government is a great way to support extracurricular activities.

Did you know?

- » Arizonans who pay state income tax may participate. Participants do not have to live within the TUSD boundaries to contribute to our programs.
- » Your contribution will fund extracurricular activities, which means school-sponsored activities that require students to pay a participation fee. It will also pay for items like band uniforms, equipment or uniforms for athletic teams, scientific laboratory materials, or in-state or out-of-state trips for competitive events.
- » You may donate up to the tax credit limit in installments during the calendar year. You can also donate less than the full allowed amount, such as \$50 or \$100, or donate portions of your tax credit to two or more schools.
- » Make your donation to the school by Dec. 31 to claim it when you file your taxes for the year.
